First Aid Kits EVA

MODERN AND STYLISH

Livision first aid kits stand out as the most thoughtful option, where every detail is carefully considered. Whether you're seeking a workplace-certified first aid kit or one tailored for home, car, sports, travel, and pets, Livision is dedicated to safeguarding your safety precisely when you need it.

EVA FIRST AID KIT

Our EVA material first aid kits, available in three sizes to cater to various needs. These kits aren't just practical; they're designed to seamlessly blend with your home decor, ensuring peace of mind wherever life takes you - be it at home, in the car, on a boat, or beyond. Because safety should never compromise style!

First Aid Kits Soft Bag

MODERN AND STYLISH

In addition to their exceptional functionality, Livision first aid kits embrace a modern and stylish Nordic design.

02

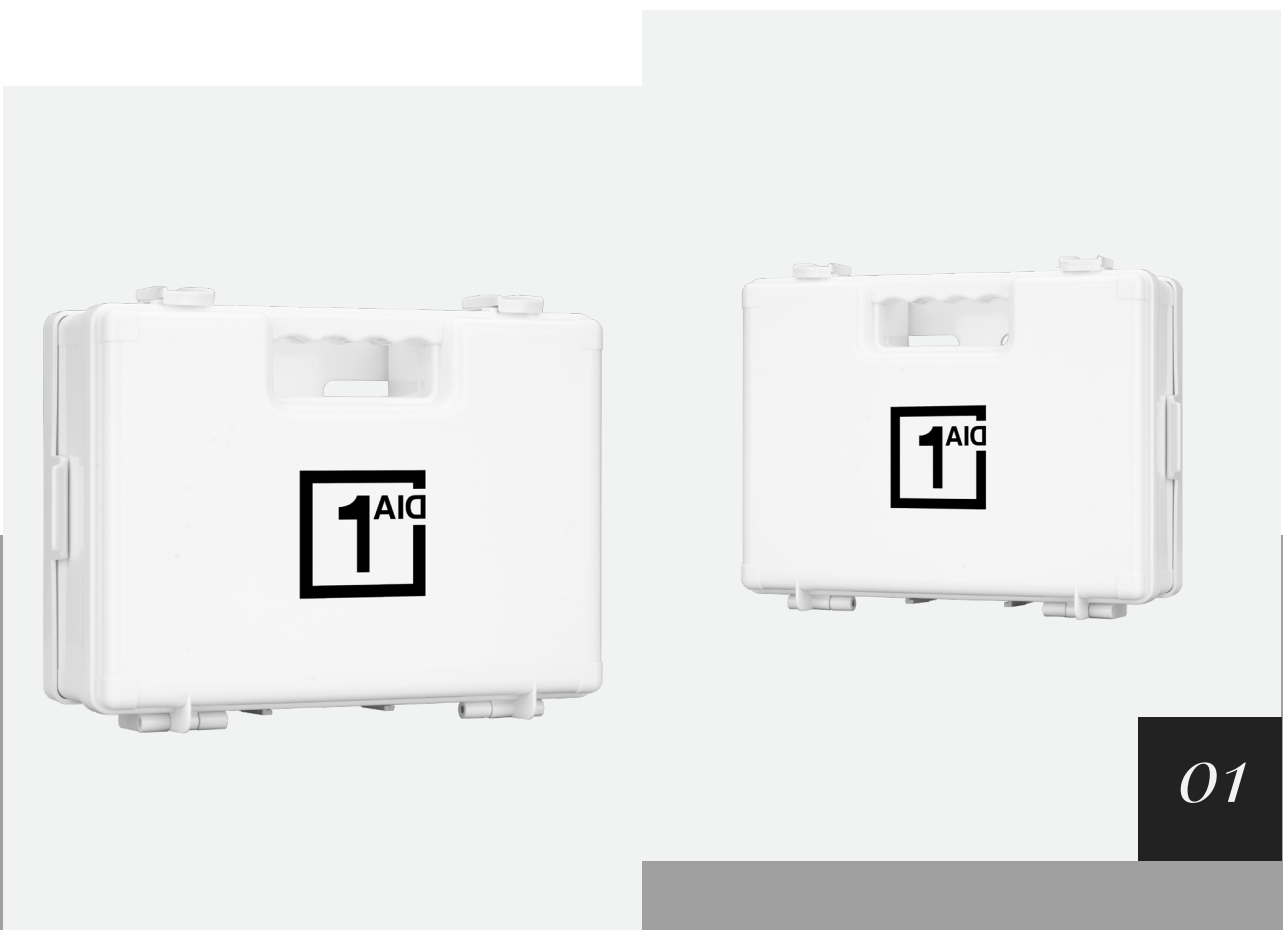

SOFT BAG FIRST AID KIT

Our go-to solution for handling those everyday bumps and bruises - the ultimate small injuries first aid kit. Packed with the essentials like commonly used plasters and dressings, it's perfect for your home, office, travels, sports, and outdoor adventures. Ready to keep you covered in all the right ways!

Office First Aid Kits

MODERN AND STYLISH

Built tough with shiny, smooth ABS plastic - easy to keep clean. The kit comes with a neoprene seal, keeping it dust-free. Inside, crystal partitions let you arrange things just the way you like, smart and practical.

01

OFFICE FIRST AID KIT

The wall bracket is able to secure the kit on a common house wall. And for that extra security, we've got two swivel catches to keep things locked up tight. Simple, sturdy, and ready when you need it.

Recommended use: Business companies, small factories, workshops, labs, and etc for 6 persons.

Pet First Aid Kits

MODERN AND STYLISH

A Pets First Aid Kit designed by Finnish professionals. The bag is waterproof, which means that the pack goes with you in all weathers.

02

PET FIRST AID KIT

Pro-grade waterproof with fully taped seal, combined with a solid roll-top closure system provides a secure watertight seal.
