First Aid Kits

MODERN AND STYLISH

Livision first aid kits stand out as the most thoughtful option, where every detail is carefully considered. Whether you're seeking a workplace-certified first aid kit or one tailored for home, car, sports, travel, and pets, Livision is dedicated to safeguarding your safety precisely when you need it.

EVA FIRST AID KIT

Our EVA material first aid kits, available in three sizes to cater to various needs. These kits aren't just practical; they're designed to seamlessly blend with your home decor, ensuring peace of mind wherever life takes you - be it at home, in the car, on a boat, or beyond. Because safety should never compromise style!

First Aid Kits

MODERN AND STYLISH

In addition to their exceptional functionality, Livision first aid kits embrace a modern and stylish Scandinavian

02

ONE AID FIRST AID KIT

Our go-to solution for handling those everyday bumps and bruises - the ultimate small injuries first aid kit. Packed with the essentials like commonly used plasters and dressings, it's perfect for your home, office, travels, sports, and outdoor adventures. Ready to keep you covered in all the right ways!

First Aid Kits

MODERN AND STYLISH

Built tough with shiny, smooth ABS plastic - easy to keep clean. The kit comes with a neoprene seal, keeping it dust-free. Inside, crystal partitions let you arrange things just the way you like, smart and practical.

01

OFFICE FIRST AID KIT

The wall bracket is able to secure the kit on a common house wall. And for that extra security, we've got two swivel catches to keep things locked up tight. Simple, sturdy, and ready when you need it.

Recommended use: Business companies, small factories, workshops, labs, and etc for 6 persons.

First Aid Kits

MODERN AND STYLISH

A Pets First Aid Kit designed by Finnish professionals. The bag is waterproof, which means that the pack goes with you in all weathers.

02

PET FIRST AID KIT

Pro-grade waterproof with fully taped seal, combined with a solid roll-top closure system provides a secure watertight seal.

Recommended use: Pets.

First Aid Kits

MODERN AND STYLISH

Our custom collaboration products, such as the Pink Ribbon campaign, where purpose meets style. Join us in supporting meaningful causes with our specially crafted items.

01

PINK RIBBON FIRST AID KIT

Our Pink Ribbon campaign products are two first aid bags of different sizes, specially designed for this campaign, both in terms of the bags and their contents. The bags themselves are made of a very high quality EVA material covered with fabric, and the icing on the cake is the pink colour. The bags are also suitable for other everyday use.

First Aid Kits

MODERN AND STYLISH

02

CUSTOMIZABLE PRODUCTS

Tailor your first aid kit to fit your exact needs. We're all about making it personal and ensuring you have what you specifically require. Your safety, your way.

Explore our Private Label Programs or OEM options for all listed products and more, tailored to meet your specific requirements.

One Aid Components

HIGH QUALITY AND RELIABLE

One Aid Components - a premier line of first aid products meticulously crafted to offer unparalleled quality and functionality. Elevating first aid to a new standard, our products are not only made from high-quality materials but also boast a contemporary and stylish design.

01

STERILE FIRST AID DRESSING BANDAGES

First aid dressing consists of a high absorbent non-stick pad with a elastic bandage. there is a thin membrane-like material in the non-stick pad on the outer side toward the wound. it allows the body fluid to fully pass to the absorbent layer. it also makes it easier to take the dressing from the wound.

Pad: 80 x 100mm 3 Pcs

02

One Aid Components

HIGH QUALITY AND RELIABLE

Designed for convenience and practicality, each component ensures ease of use in any first aid scenario. Whether you're a healthcare professional, emergency responder, or an individual seeking reliable solutions, One Aid delivers top-tier quality.

03

CPR FACE SHIELD

CPR Face Shield, equipped with a apparatus encased in a transparent shield providing complete facial coverage for added protection. This design incorporates a ventilation tube featuring a 2-way valve, ensuring optimal airflow during resuscitation efforts.

With 4 Cleansing Wipes & 2 Pairs of Gloves

04

BURN DRESSING

The Burn Dressing swiftly and effectively cools burns, providing rapid relief from pain while preventing the burn from progressing deeper into the skin tissues. Additionally, it accelerates the healing process, ensuring efficient recovery.

10 x 10cm 2 Pcs

One Aid Components

HIGH QUALITY AND RELIABLE

One Aid Components are tailored to meet specific needs, each product serves as a standalone solution and can also function as a convenient refill for various first aid stations. This flexibility ensures that you have the right tools at your fingertips, precisely when and where you need them.

01

SOFT FOAM BANDAGE

Self-adhesive, gentle on skin, hair, and wounds. Stops bleeding for small injuries, absorbs blood, and water-resistant

6cm x 2m

02

ANTISEPTIC CLEANING WIPE

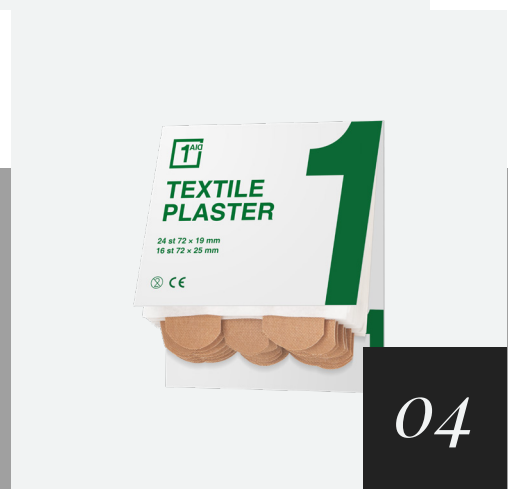

Sting-free and effective, the Antiseptic Cleansing Wipes are ideal for cleansing cuts before applying additional treatments like bandages.

120 x 110mm 20 Pcs
